RENEWED PETITION UNDER 37 C.F.R. 1.47(a)
ONE INVENTOR NOT AVAILABLE

Hon. Assistant Commissioner for Patents

Attn.: International Division, Legal Staff

Sir:

RECEIVED

Legal Staff

International Division

Applicants hereby renew their petition in the United States Patent and Trademark Office under 37 C.F.R. 1.47(a) to accept the above-identified national stage application without an executed Declaration from one of the six named Inventors.

In the decision dismissing the Original Petition under 37 C.F.R. 1.47(a), it was stated that a more detailed discussion of the search for the missing inventor, Mr. Mehmet Kemal Ozkan, including affidavits or declarations from a person with firsthand knowledge of the attempts to reach the inventor and any supporting evidence, is required. All other requirements for granting of the petition have already been met, i.e. payment of the petition fee under 37 C.F.R. 1.17(i), statement of the last known address of the inventor, and a declaration executed by the other inventors on their own behalf and on behalf of the non-signing inventor.

In support of this renewed petition, Applicants have attached a Declaration (Exhibit A) executed by Ms. Davida Fornarotto, Paralegal Administrative Assistant,

Thomson multimedia Licensing Inc. Ms. Fornarotto is entrusted with handling PCT Applications for Thomson multimedia Licensing Inc. and obtaining signatures from Inventors on all necessary documents.

As required by 37 C.F.R. 1.47(b) and MPEP section 409.03(b)(C) Exhibit A is submitted as proof that diligent effort was made to locate the Inventor and the Inventor could not be found. The efforts of Ms. Fornarotto to locate the inventor are stated in the Declaration and occurred as follows:

On November 12, 1999, a letter was sent by courier to the last known address of the Inventor. The letter was sent via DHL airway bill # 7786866555 and included a copy of the application along with a PCT Assignment to Thomson Consumer Electronics Inc. and Power of Attorney, for signature by the Inventor for filing in the United States. A copy of DHL airway bill # 7786866555 is attached as Exhibit B. A copy of the letter sent to Mr. Ozkan is attached as Exhibit C. DHL advised Ms. Fornarotto that Mr. Ozkan could not be located and returned the entire envelope to Ms. Fornarotto on November 18, 1999. A copy of a letter from DHL attesting to their efforts to locate Mr. Ozkan is attached as Exhibit D.

On November 22, 1999, Ms. Fornarotto sent an e-mail to Mr. William Lagoni, Intellectual Property Administrator at the main office for Thomson multimedia Licensing Inc. in Indianapolis. Mr. Lagoni is the liaison between the Intellectual Property Legal Office in Princeton, N.J. and the main office in Indianapolis, aiding our office in locating past and present employees. This e-mail requested a last known address for Mr. Ozkan. On November 22, 1999, Mr. Lagoni responded via e-mail including the last known address and contact information for Mr. Ozkan. Mr. Lagoni also stated that the e-mail address had worked the last time he tried it and suggested that Ms. Fornarotto e-mail Mr. Ozkan. Ms. Fornarotto sent an e-mail to Mr. Ozkan using the supplied e-mail address on November 22, 1999 requesting an updated address to which the copy of the application along with a PCT Assignment to Thomson Consumer Electronics Inc. and Power of Attorney could be sent. A copy of these e-mails are attached as Exhibit E. No response to this e-mail was received and, as of the date of this renewed petition, a response has still not been received.

On December 1, 1999 Mr. Lagoni e-mailed Ms. Fornarotto asking if a response was received from Mr. Ozkan. Ms. Fornarotto responded that no response was received and asking what further could be done to reach Mr. Ozkan (see Exhibit D).

On December 3, 1999, Ms. Fornarotto wrote to Mr. Lagoni a second time informing him that no response was received from Mr. Ozkan. Mr. Lagoni responded in a return e-mail dated December 4, 1999 informing Ms. Fornarotto that he also sent an e-mail to Mr. Ozkan and had not received a reply. A copy of this e-mail is attached to the declaration as Exhibit G.

On December 7, 1999, Mr. Lagoni indicated to Ms. Fornarotto that he had sent two e-mails to Mr. Ozkan, each of which had been returned as undeliverable. Ms. Fornarotto responded by mentioning a discussion with her supervisor in which it was decided that a petition under 37 C.F.R. 1.47(a) should be filed discussing the present situation. A copy of this e-mail is attached to the declaration as Exhibit H.

In view of the above remarks and attached exhibits and Declaration, Applicants respectfully submit that diligent effort has been made to locate the Inventor and to have Mr. Ozkan execute the Declaration. It is thus, respectfully submitted that this renewed Petition be granted and the national stage of the present application be accepted without the signature of Mr. Ozkan.

No additional fee is believed due. However, if an additional fee is due, please charge the fee to Deposit Account 07-0832.

Respectfully submitted,

By:
